Assalamualaikum all,

As per suggested in the Department Meeting and after a discussion with the Anaesthesiology Team, they agreed to have a specific day for GA and Thursday will be a dedicated day.  
As for now, the Anesthesiology Team requested to do a trial in January until March and the slot will be in Week 2 and Week 4. For January, GA day is on 28/1/2021 (Thursday). They requested only 3 cases to be slot in for a short case (e.g brain, MSK) or 2 cases only for a long case e.g Wholespines. This dedicated day does not apply to Paediatric cases as the day remains the same (Mondays).

Thank You.
